TasteWise Kids

- TasteWise Kids (www.tastewisekids.org) is a non-profit 501c3 organization that inspires kids to explore and experience the world of food and its sources. We are dedicated to educating kids of all ages about food, from source to plate, and to increasing their appreciation of fresh foods. We are currently looking for volunteers to help us in the following ways:
  - Volunteer with our Days of Taste program this fall and work with elementary students directly (program dates are being set for end of September through November) as they learn about the elements of taste and the journey of food from farm to table from area chefs and farmers.
  - Help us to improve our website, social media presence, and marketing materials
  - Coordinate, and write for, our bi-monthly e-newsletter Tasting Notes
  - Undertake special projects of TasteWise Kids - current projects focus on development activities and researching best practices around food education
  - If you are interested in learning more, please contact Brittany at tastewisekids@gmail.com
- Farm to Chef is October 2 at B&O Railroad Museum. Visit www.farmtochefmd.com for more information
