# NATURE NURTURES 2021

## Workshop Summary:

This Nature Nurtures 2021 panel is for anyone interested in creating an outdoor learning space!

Attendees will hear from current and former teachers, local landscape architects, and City Schools staff with experience designing and building outdoor learning spaces at schools. Our panelists will provide insights into creating outdoor learning spaces with various levels of funding, design best practices, learned lessons, and advice on leveraging partnerships to create robust spaces for children and youth to connect with nature.
